SPEAKING ENGAGEMENTS

1. "Maybe A Baby" - Seminars offered monthly by Hoag OB Education, 1986 to present.
2. "New Patient Seminars" - held at Hoag or one of the satellites every two months, 1986 to present.
3. "Laparoscopy Diagnosis and Management of Endometriosis" - Sponsored by Tap Pharmaceutical, March 1992.
4. "What's New in Infertility Work-ups and the Treatment of Endometriosis", Resolve General Meeting, July 1992.
5. "Management of Infertility in 1990's" - Hoag Medical Staff, April 1993.
6. "Assisted Technologies" - Exchange Club of Newport Harbor, March 1995.
7. "Assisted Reproductive Technologies" - Orange County Perinatal Council, UCI Medical Center Department of OB/GYN, April 1995.
8. "How Babies are Made - New and Unusual Methods to Help Mother Nature" - Newport Harbor Area Chamber of Commerce, July 1995.
9. "Preimplantation Genetic Diagnosis (PGD)", Hoag Memorial Hospital, April 2000.
10. "Preimplantation Genetic Diagnosis (PGD)", CME Presentation, Inland Valley Medical Center, July 2001.
11. "Recombinant FSH: a therapeutic revolution in assisted reproduction"
"Controlled Ovarian Hyperstimulation: the ideal protocol"
LII Mexican Congress of Obstetric and Gynecology, Tijuana, Mexico, October 2001
12. "Hysteroscopy" lecture at Hoag Memorial Hospital, December 2001
13. "PGD as both a diagnostic and therapeutic tool in Assisted Reproductive Technologies." Phase I Study results presentation at Pacific Coast Reproductive Society (PCRS) annual conference, Rancho Mirage, CA, April 2002
14. "PGD as both a diagnostic and therapeutic tool in Assisted Reproductive Technologies." Grand Rounds presentation at Department of Obstetric and Gynecology, UCI Medical Center, Orange, CA, May 2002.
15. "PGD as both a diagnostic and therapeutic tool in Assisted Reproductive Technologies." Phase I Study results presentation at American Society of Reproductive Medicine (ASRM) annual conference, Seattle, WA, October 2002
16. "New Advances in Reproductive Medicine – Preimplantation Genetic Diagnosis (PGD) as a beneficial Tool in ART" Lecture for Orange Coast Women's Medical Group, Laguna Niguel, CA, October 2002
17. "PGD as both a diagnostic and therapeutic tool in Assisted Reproductive Technologies." Smart ART IV Conference, Orlando, FL, June 2003

18. "Basic Evaluation of the Infertile Couple" lecture at Department of Obstetrics and Gynecology, UCI Medical Center, Orange, CA, August 2003
19. "Ovarian Hyperstimulation Syndrome (OHSS)", lecture at Hoag Memorial Hospital, August 2003
20. "Ovulation Induction", lecture at Department of Obstetrics and Gynecology, UCI Medical Center, Orange, CA, February 2004
21. "PGD as both a diagnostic and therapeutic tool in Assisted Reproductive Technologies." Presentation at International College of Obstetrics and Gynecology (COGI) conference, Las Vegas, NV, June 2004
22. "What the Future Holds in Reproductive Medicine, PGD as both a diagnostic and therapeutic tool in Assisted Reproductive Therapy (ART)" Lecture at Thacher School, Ojai, CA, May 2004
23. "What the Future Holds in Reproductive Medicine, PGD as both a diagnostic and therapeutic tool in Assisted Reproductive Therapy (ART)", Lecture at Resolve of Orange County, October 2004
24. "What the Future Holds in Reproductive Medicine - PGD as both a diagnostic and therapeutic tool in Assisted Reproductive Therapy (ART), for the High Risk Patient" March of Dimes presentation, November 2004
25. "Overview of Assisted Reproductive Technologies", lecture at Department of Obstetrics and Gynecology, UCI Medical Center, Orange, CA, April 2005
1. "Preimplantation Genetic Diagnosis as a beneficial Tool in Women with Recurrent Pregnancy Loss (RPL) and Advanced Maternal Age (AMA)" Phase III Study results presentation at American Society of Reproductive Medicine (ASRM) annual conference, Montreal, Canada, October 2005
2. "What the Future Holds in Reproductive Medicine", University of California, Los Angeles, Department of Obstetrics & Gynecology - Grand Rounds lecture, March 2006
3. "The Early Weeks" Resolve non-profit patient advocacy group lecture, May 2006
4. "Journey to Donor Oocytes" lecture for Fertility Source Companies retreat, Huntington Beach, CA, August, 2006
5. "Fertility Perspectives in the Cancer Patient:", University of California, Irvine – Grand Rounds, lecture at Department of Obstetrics and Gynecology, UCI Medical Center, Orange, CA, September, 2006
6. "What the Future Holds in Reproductive Medicine", Corona Regional Medical Center, Department of Obstetrics and Gynecology, Grand Rounds lecture, October 2006
7. "What the Future Holds in Reproductive Medicine", Resolve non-profit patient advocacy group lecture, December 2006
8. "Are Embryos Normal When Obtained From Second Day Intracytoplasmic Sperm Injection (ICSI), Single Pronucleus (1PN) or Cleaved Embryos From No Pronuclei (0PN)" oral presentation lecture at Pacific Coast Reproductive Society, Palm Springs, California April 2007

9. “Are Embryos Normal When Obtained From Second Day Intracytoplasmic Sperm Injection (ICSI), Single Pronucleus (1PN) or Cleaved Embryos From No Pronuclei (0PN)” Roundtable lecture at American Society for Reproductive Medicine (ASRM) Annual Convention, Washington DC, October 2007
10. “Correlation Between Cell Stage at Embryo Biopsy (EB) and Aneuploidy” Roundtable lecture at Pacific Coast Reproductive Society, Palm Springs, California April 2008
11. “Fertility Preservation”, Obstetrics and Gynecology physician lecture, Laguna Niguel, CA, May 2008
12. “Fertility Preservation”, Experts in Reproductive Medicine, conference in Bellevue, WA, Sep 2008
13. “Fertility Preservation”, Obstetrics and Gynecology physician lecture, Costa Mesa, Ca, Oct 2008
14. The 5th Asian Pacific Fertility Experts Meeting, Vietnam May 2009
 Topic: Female Infertility: Recent Advances in Ovarian Reserve, Tubal and Endometrial Assessment
 Topic: Patient Centered ART- US Experience
15. UCI Post Graduate Course-HAWAII-OBGYN, July 2009
 Topic: Who Are Optimal Candidates for Preimplantation for Genetic Diagnosis (PGD)
 Topic: Single Embryo Transfer (SET)-Who is ideal for this?
 Topic: Fertility Perspectives in the Cancer Patient
16. UCI Post Graduate Course OBGYN, September 2009
 Topic: Endometriosis
 Topic: Preimplantation Genetic Diagnosis (PGD)
17. Hoag Hospital, Oncology Monthly meeting, December 2009
 Topic: Fertility Perspectives in the Cancer Patient
43. Phoenix OBGYN Society meeting September 16, 2010.
 Topic: Life’s Choices
44. Merck: Medical Oncology Dinner, November 17, 2010
 Topic: Fertility Preservation
45. Merck: Medical Oncology Dinner, January 26, 2011
 Topic: Fertility Preservation
46. Gene Security Network (GSN): Orange County OBGYN doctors, September 8, 2011
 Topic: Recurrent Pregnancy Loss
47. UCI: Post Graduate Course Lectures
 Topic: Preimplantation Genetic Diagnosis (PGD), October 19, 2011
 Topic: Endometriosis, October 19, 2011
