

**BARRY S. SEIBEL, MD**

*Ophthalmology*

Dr. Barry Seibel is the author of a best-selling textbook on cataract surgery. He has invented more than 20 instruments for both cataract and LASIK surgery, and has given more than 300 eye surgery lectures in 20-plus countries. A graduate of USC Doheny Eye Institute, Dr. Seibel is on the clinical faculty at UCLA Jules Stein Eye Institute, where he has received the Residents' Teaching Award. Dr. Seibel is a pioneer in laser cataract surgery and offers advanced lens implants. He personally examines and talks with each patient to help determine the best options based on their exam and goals.
